

Tuition Fees and Other Fees (2025 April Enrollment)

Students pay their tuition fees in two separate installments: one in the first semester (Terms 1 & 2) and another in the second semester (Terms 3 & 4). For the second semester of your first academic year onward, Musashino University will send you a "学費納入用紙" ("tuition fees transfer form"). Please visit a nearby financial institution to complete your payment using this form.

*Students whose status of residence after admission is "Student" are not allowed to use the account transfer method (withdrawal from one's account), which is described on the website of Musashino University.

Applicants whose current status of residence in Japan is "Student" or those who apply to change their status to "Student" as students of Musashino University by April 30, 2025, are entitled to an exemption from admission fee. Those whose current status of residence is not "Student" and who do not apply to change their status to "Student" and those who have applied to change their status to "Student" but have been denied will not be entitled to this exemption.
