*List your educational background (from elementary school to highest educational background) in chronological order.

*If you are still enrolled in the institution, write down your period of enrollment.

Add this document along with the accompanying documents listed below as attachments to an email and then send the email to the Musashino University Admissions Office.

- 1) Request for Application Eligibility Examination (this form)
- 2) Certificate of graduation/completion or expected graduation/completion issued by your final school (a photocopy will suffice).
*If you have a bachelor's degree, submit a photocopy of the degree certificate.
- 3) Academic transcript issued by your final school (a photocopy will suffice)
(If there is any subject (credit) you have not yet completed (received), submit a certificate of enrollment in the subject that must show the name and number of credits for the subject.)
*These certification documents must be written in Japanese or English. If they are written in any other language, an official Japanese or English translation must be submitted along with the original. A translation needs to be certified as identical to the original certificate by your school/ an embassy/consulate or an appropriate private office (except your Japanese language school). If the translation is to be done by a private company etc., the translation should clearly indicate the agency and be signed or stamped by the translator.

Musashino University Admissions Office email address for submission of your documents: nyushi@musashino-u.ac.jp

Document submission period: November 10 (Mon) to November 21 (Fri), 2025

*The email must be titled "Request for Application Eligibility Examination (Transfer to Fourth Year, Department of Data Science, School of Distance Learning, Faculty of International Data Science)," and documents 1) to 3) above must be attached to it.
