My first Yukata experience

An event took place on August 6, 2016 to let us experience Japanese Yukata and join the Bon Festival Dance. The event took place near of Kichijoji station and was sponsored by Musashino International Club (MIC). I discovered that MIC has been organized for foreigners to give them the opportunity to enjoy Japanese Culture for 28 years. Firstly, because I didn't have any yukata, I borrowed one through Musashino University. I have been in Japan for a little over 2 years now and I didn't have the opportunity to wear any Yukata; that is why I decided to join the event. There were Dressers who helped us to wear it. They were very nice and let us borrowing more accessories to complete our look. After preparing ourselves, we went to the Bon Festival Dance. The event was spectacular, it was a night of food, drinks, Bon dances and most importantly fun. I am really thankful for the opportunity I received to experience it.
