

Students,
Faculty and staff,
To all those it may concern

Campus Entry from Friday, 2 April, 2021 【 Ariake Campus 】

At Musashino University, the way of campus entry will be changed from Friday, 2 April, 2021.
Please read the instructions below and enter the campus accordingly.

<Students>

- Enter from the Main Gate on the Monument Square, and go through the site of temperature measurement of Student Hall on the 1st floor, Building #3.
- Please check and record your temperature at the site of temperature measurement, and touch the card reader with your student card to record your entry.
- If you have a fever of 37.5 degrees or higher, you will not be allowed to enter the campus. You should go home and rest. If you are worried about your condition, consult with a medical institution.
- Students who come to campus by bicycle, please park it in the designated parking area (next to Building #1) and enter from the Monument Square.

<Notes> **Students cannot enter from the Building #1.**

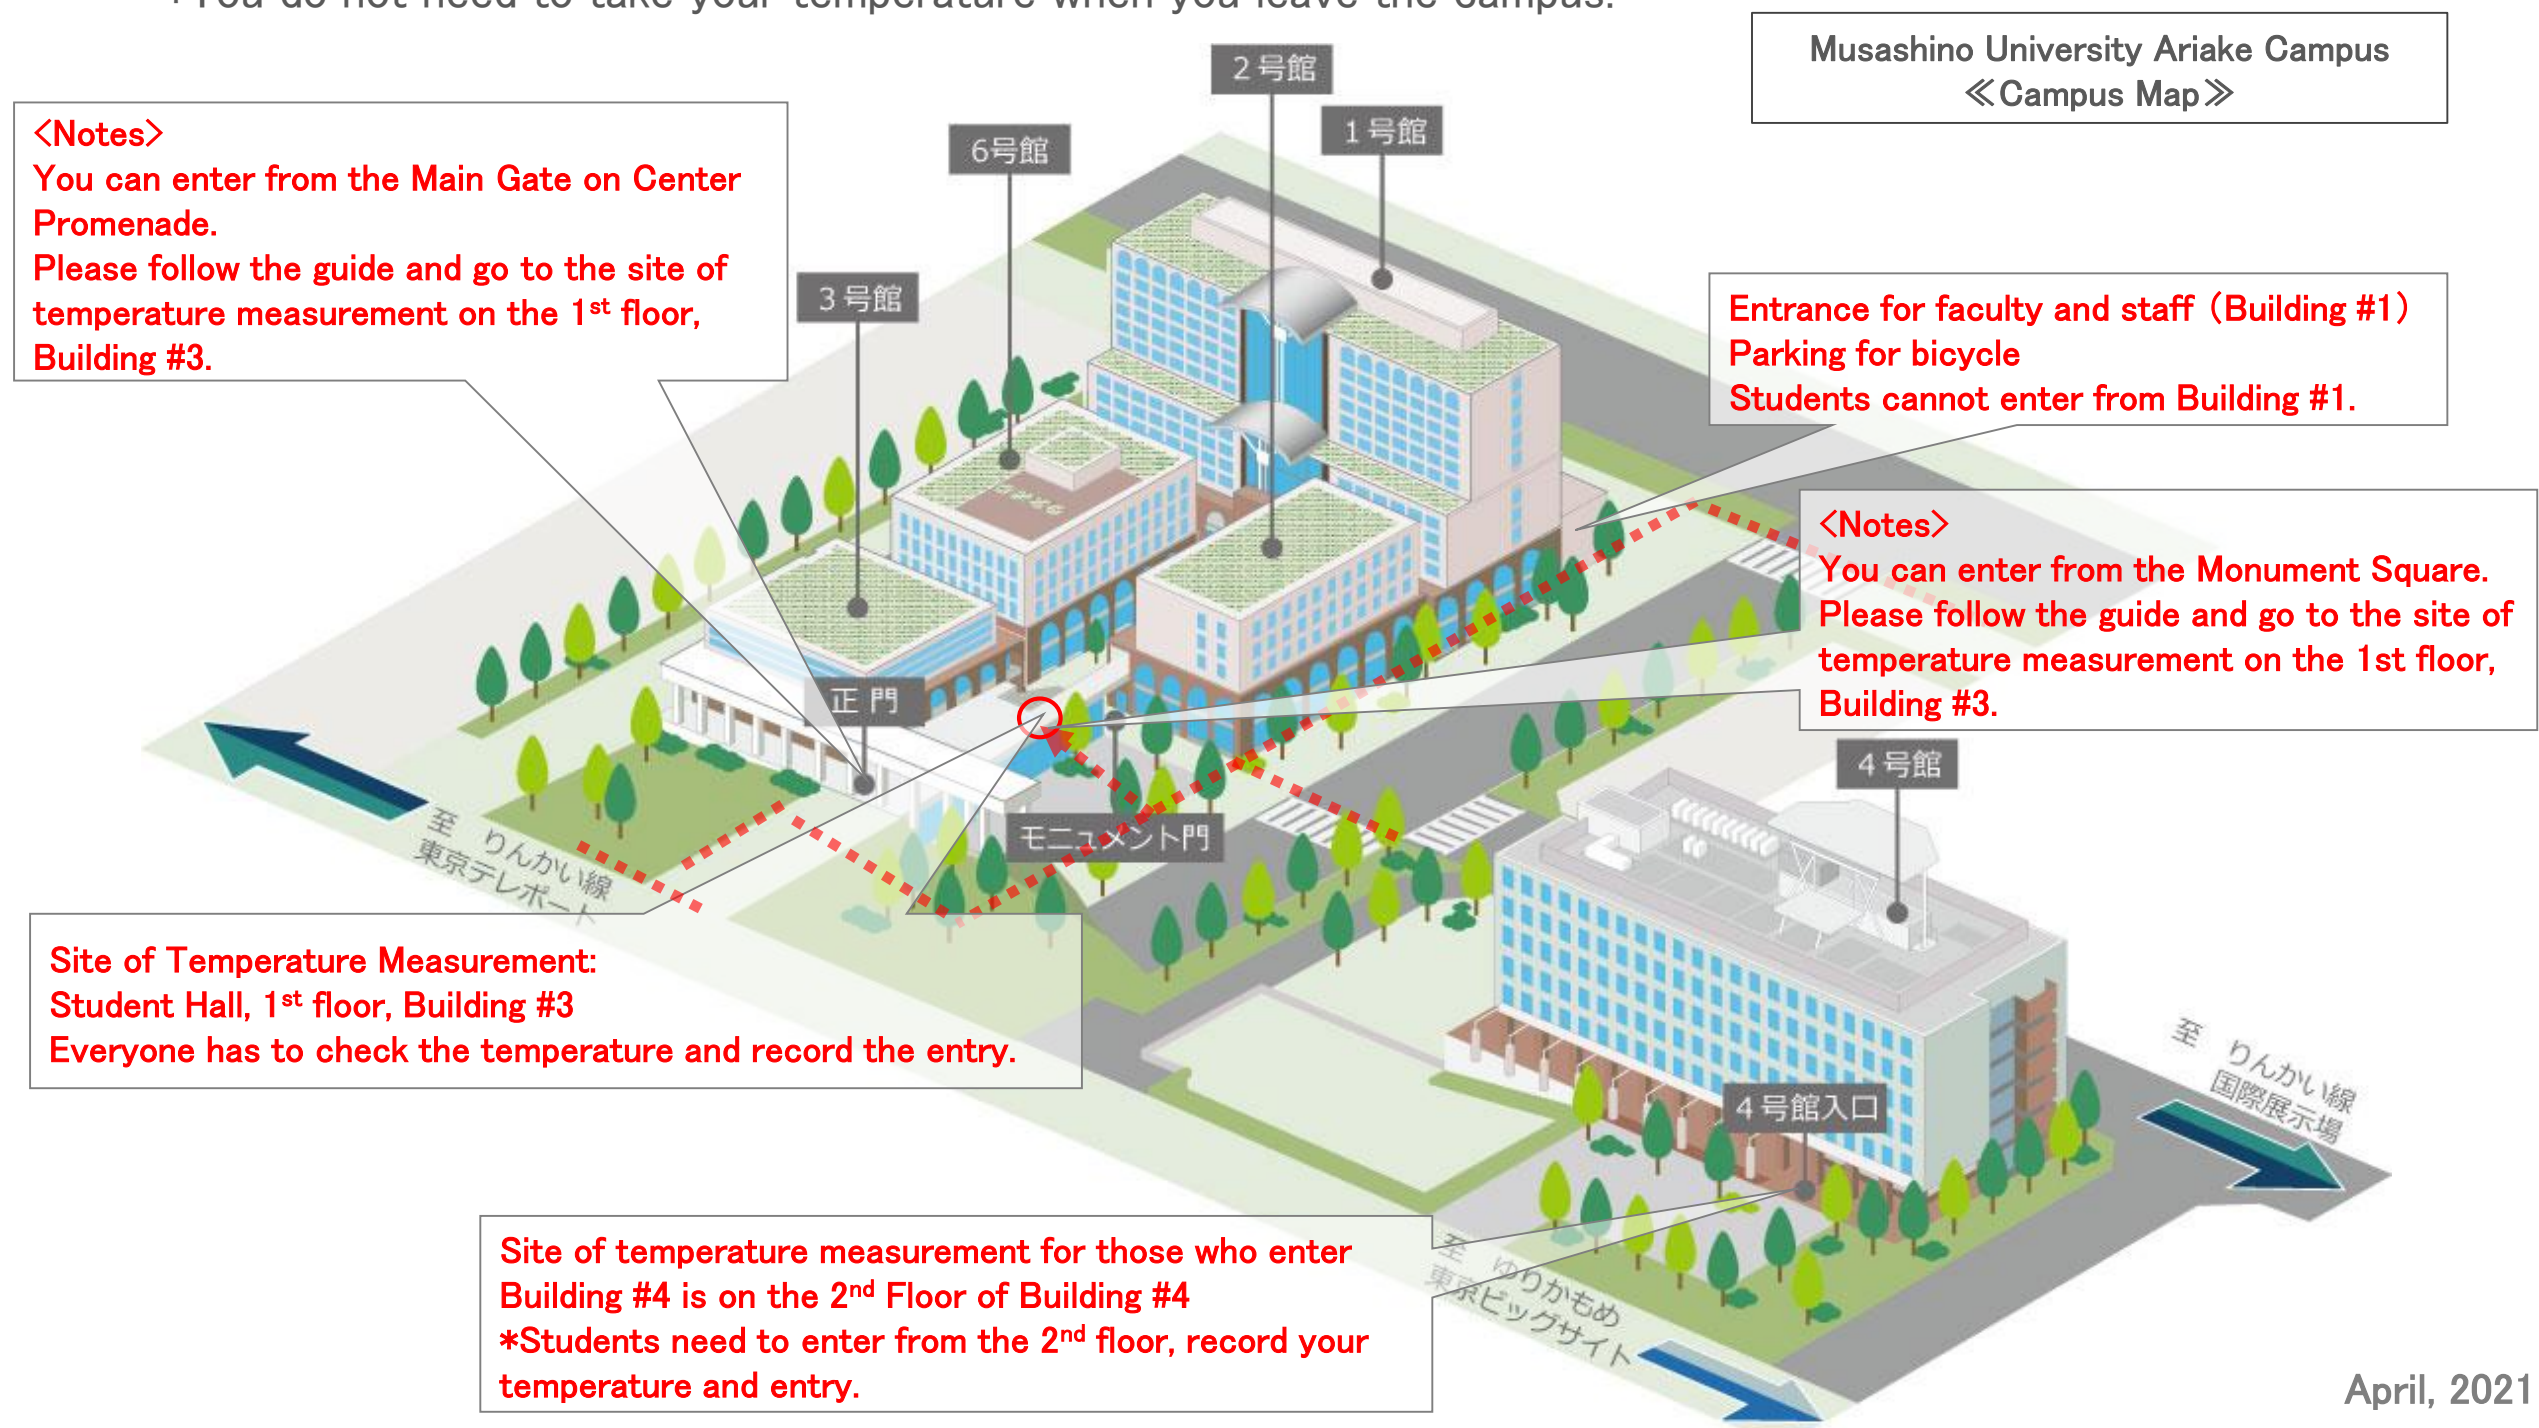

*You do not need to take your temperature when you leave the campus.

<Faculty and staff>

- Please enter from the side gate beside Building #1.
 - If you enter from the site of temperature measurement, please keep the record your entry.
 - If you have a fever of 37.5 degrees or higher before you leave home, stay home and rest. If you are worried about your condition, consult with a medical institution.
- *Faculty and staff can enter as the same way students do. If you do so, you need to check your temperature and touch the card reader for faculty/staff with your faculty/staff card to record your entry.

<Those who are outside of the university>

- Please enter the campus as the same way students do and check your temperature.
- *You do not need to take your temperature when you leave the campus.
